NEWS

SUMMER 2002

MESSAGE FROM THE PRINCIPAL

This year seems to have passed so quickly. The hard work students have put in to their classes has been tremendous and the continuing success of LJB students gaining places at full time vocational schools very gratifying. Myself and all the staff look forward to welcoming back the students returning in September and those students starting at London Junior Ballet for the first time.

Nicola Bowden

STAFF NEWS

Many thanks to **Melanie Pope** who leaves us this summer. Melanie's help as Assistant Teacher this past year has been invaluable to the students and teachers. Melanie will be popping back occasionally during the next year.

I am pleased to announce that **Stephanie Clayton** will be London Junior Ballet's assistant teacher for 2002 - 2003.

Kevin Richmond will be on stage in this winter's English National Ballet production of Nutcracker, touring the UK before coming to London.

AUDITIONS

We will be holding auditions for new students on Saturday, 7th September, for entry in September 2002.

LJB WEBSITE

Just a reminder that the LJB website is at www.ljb.org.uk. The email address is admin@ljb.org.uk. It is now possible to download the times and fees sheet, teacher list and audition application form as well as the LJB prospectus.

ASSESSMENTS 2002—2003

Assessments will take place in the third and fourth week of the summer term in 2003. This will mean students will receive two half-termly progress slips in the Autumn term and two in the spring term. In the summer term students will receive the assessment report and the end of year teacher's report.

LONDON JUNIOR BALLET ASSOCIATION

Kay Wraith will not be returning to chair the LJB Association in September. I would like to thank Kay for all the hard work she has put in to helping the LJB Association and London Junior Ballet over the years. She will be sorely missed and I look forward to seeing her visit us when she has the time.

In September the Association will be looking for one or two committee members. It is hoped that one parent from each class level will be represented on the committee.

LONDON STUDIO CENTRE

We are very grateful to Nic Espinosa, the Director of the London Studio Centre, for allowing us to use the superb facilities at York Way.

2002—2003
